

FAITH MISSION INTERNATIONAL

AMBASSADORS – SEED SOWERS - FOOT SOLDIERS

You Are Needed & Wanted!

We are seeking for individuals like you to become strong ambassadors spreading the message to others about this ministry and the resources needed to continue to passionately pursue all that God has placed in our hearts. We are seeking faith filled seed sowers from the body of Christ. We are seeking for foot soldiers to make a true commitment to present to the Lord all aspects of this ministry in prayer and intercession.

We are currently ministering in various ways to approx. 50 Pastors/churches in Acuna and the various towns around Acuna. These 50 churches represent approx. 5000 people that we are directly impacting. How are we impacting these works? By instilling and inspiring leaders via teaching while modeling and working alongside them. A church of passionate evangelism; practical and interpersonal discipleship; releasing the members of the local body to become active and involved in all aspects of service and ministry; preparing more leadership and having vision to not just see an increase in people within the church, but advancing God's kingdom by planting new works in the city of Acuna and surrounding communities.

We our focusing on team oriented ministry not only within the local church, but amongst the churches themselves! As well, we are emphasizing a return to a ministry to people, not just mere programs and events. And, in the midst of it all, the call to total surrender (in love and joy) to a viable relationship with Jesus Christ in the Word and Spirit of God.

"In whom all the building fitly framed together growth unto a holy temple in the Lord; in whom ye also are builded together for an habitation of God through the Spirit."

As part of our ministry, we come alongside other Pastors and ministries seeking ministerial teaching and guidance. Here is one of these works meeting outside of the Pastor's home in the 100 degree heat! We are excited about this work and others like them we are working with who have the passion and desire to reach the lost, disciple others and advance God's kingdom.

What can you do to be an ambassador, a seed sower or a foot soldier of the kingdom on behalf of this Ministry?

**“And whatsoever we ask, we receive of Him, because we keep His commandments, and do those things that are pleasing in His sight.”
I John 3:22**

Below are some areas of ministry where your prayer, intercession and financial support of seed sowing are needed as Ambassadors of Christ on behalf of this ministry. Thank You !

We have several Pastors needing help with the purchasing of food items to feed 50 to 100 children 3 times a week that are ministered to in the mornings

People to contact others to seek out donations of canned goods, dry food products or any other non-perishable food items.

People to help with donations of musical instruments to help train others for the ministry of praise and worship.

We are believing for financial support to assist with the cost of our monthly Pastoral Meetings.

We are believing for partners in faithful support of the ministry and the costs associated with running the daily ministry.

Faith Mission is in need of replacing our ice machine and an air conditioner in our worship center.

Please pray on behalf of these needs. Thank You

Bearing Fruit

“Herein is My Father glorified, that ye bear much fruit; so shall ye be My disciples.” John 15: 8

Our ministry places great emphasis on “fruit bearing.” That in the midst of all activities, events and the weekly church services and gatherings, that the ministry to God’s people and to the lost is to bring forth fruit. While bearing fruit is not directly proportionate to “numbers” or how big something is, we recognize that when we are a people moving in faith and obedience to God’s Word and Spirit, there will spring forth a recognizable change, transformation and growth in people lives and the fruit of ministry. Here are a couple of testimonies directly related to our ministry with the local works:

- A. Pastor Gamaliel has now begun a weekly outreach to men being returned from immigration and dropped off in Acuna to go back home. Each week, a meal is served on the street to approx. 100 men and women as well as ministering the gospel and offering prayer on their behalf and their families.
- B. Pastor Armando in Santa Maria recently completed an outreach in their community where 12 people gave their lives to the Lord. As well, Pastor Armando and the church are now helping another Pastor in another colony of Acuna with his new work in all aspects of the ministry to see their work grow via evangelistic outreach and bringing oversight to assist in their foundational growth in the Lord.
- C. Pastor Agustin continues to grow and is in the process of extending the size of their church to accommodate the new growth. He has also placed one of his leaders in our ministry in the colony 5 de Mayo to build up a new work.
- D. Pastor Jaime Blanco is going out into the streets of Cedros to preach the gospel to the lost as a result of our example.
